

THE NORTHEASTERN PENNSYLVANIA CHAMBERS OF COMMERCE

REGIONAL GOVERNMENT AFFAIRS COUNCIL

2025 Regional Legislative Priorities

1

WORKFORCE DEVELOPMENT & ACCESS TO EDUCATION

Forge strong partnerships between businesses, workforce partners, and educational institutions, empowering individuals with the knowledge, skills, and experiences necessary for a robust regional talent pipeline. Through collaborative efforts, we aim to align education with training needs, ensuring a skilled and competitive workforce for all.

2

INFRASTRUCTURE & TRANSPORTATION

Work collaboratively to strengthen the infrastructure, transportation, and housing networks to improve connectivity, reliability, and stability to grow our local communities and meet business needs. Focus on building resilience and ensuring reliable energy access to meet the increasing demands of our region.

3

CHILDCARE AND EARLY EDUCATION FUNDING

Support increased public investment in childcare and early education to strengthen the workforce, support working families, and drive long-term economic development. Prioritize funding for communities with limited access to quality childcare.

4

HEALTHCARE

Work with appropriate public and private entities to ensure continued community access and availability to quality healthcare across the region.
